New
Renault **DUSTER**
What's stopping you?

Leave the city behind

When was the last time you breathed pure mountain air? Or saw a forest cloaked in white? Or heard a tiger call announce dawn?

When was the last time you turned off the road and into an adventure?

The new Renault DUSTER is your license to go beyond the boundaries of the city. It's an escape from the everyday routine. It's an invitation to meet the great outdoors face to face.

The lines that start from the new dual winged front grille muscle their way to the rear. The iconic stance is complemented by new design details that enhance its premium look. **EASY-R** AMT makes zipping out of the city a breeze. While new soft touch interiors ensure the ride is more comfortable than ever.

Get ready for new adventures with the new Renault DUSTER. What's stopping you?

Designed for adventure

The new Renault DUSTER is ready to take on anything. If the outside spells adventure, the inside exudes style. The new dual winged front grille, the distinctive gun metal finish alloy wheels, the signature waterfall LED tail lamps and kayak roof rails are complemented by the inviting crimson-black interiors. Escaping the city was never so stylish.

Enjoy every challenge

Power and poise find balance in the new Renault DUSTER. 210 mm of ground clearance, high approach and departure angles, and the 4WD mode with incredible traction allow you to conquer any terrain with ease. The Eco mode option delivers up to 10% more fuel efficiency.

The new Renault DUSTER also comes with India's first 6-speed **EASY-R** AMT which delivers a comfortable drive. Furthermore, the driver can change his preference and switch to manual transmission at any time on the drive.

Technology that takes you further

If you have the desire to get away from the everyday rut, the new Renault DUSTER has the technology for it. The cruise control, electrically adjustable and foldable ORVMs with turn indicators and multi-information display make driving easier. The innovative 7-inch MediaNAV entertains and navigates while enabling hands-free calling.

Safety comes first

World-class safety and security features ensure you are in complete control even on unfavourable terrains. State-of-the-art features like ABS, ESP® and EBD with Brake Assist keep you in control no matter what. Dual front airbags are designed to absorb heavy impacts. The impact sensing door unlock allows a quick exit from the car while the speed sensitive auto door lock intelligently locks the door. The Hill Start Assist which holds your car for 2 seconds makes for an effortless uphill drive on challenging terrains while the monocoque body provides increased torsional rigidity, handling and protection. The reverse parking camera with guidelines and rapid deceleration warning provides more safety. Get set for a new adventure without thinking twice.

Go beyond the comfort zone, comfortably

Getting away from the comforts of the city is not difficult at all. The new Renault DUSTER comes with an 8-way adjustable driver's seat (with lumbar support), front and rear armrests with cup holders, steering mounted audio controls, new auto AC and anti-pinch window system, ensuring driving comfort is not compromised. The new Renault DUSTER also features an evolved T4 Electrical & Electronics architecture and a new CMO 10 engine compartment enabling safety and a superior driving experience.
